

Call for Presentation Proposals An AAUP Event!

Saturday, March 5 from 9:00 to 4:00

**Hosted by the Southeastern Oklahoma State University Chapter of the AAUP
At Southeastern Oklahoma State University in Durant, Oklahoma**

Theme: Public Perception of the Professoriate, the University, and the Common Good

The AAUP's mission of advancing academic freedom and shared governance, establishing professional values and standards, and ensuring higher education's contribution to the common good has been forged in the collective experiences of the Association's one-hundred year history.

Perceptions are fluid, dynamic, and subject to influence. What can faculty and university communities do to shape perceptions, build cooperation, conceive and achieve possibilities, and contribute to the common good locally, in our state, and nationwide?

We invite proposals for presentations that address these topics and questions. We welcome presentations from all disciplinary and cross-disciplinary perspectives, including history, philosophy, political science, cultural studies, sociology, pedagogy, literary studies, economics, and media studies.

Presenters will be given a fifteen to twenty minute time frame. Proposals are invited from all AAUP members and from all Southeastern faculty.
